

Be a Prize Sponsor!

By being a Kids4Rivers Prize Sponsor, you are not only showing that your business cares about keeping our rivers and wildlife healthy, you're also engaging customers from 16-counties in Virginia and North Carolina with very little investment.

There is no fee to be a sponsor. All you need to do is provide a "prize" to kids who come to your business and show you they have completed their activity or activities to help keep our rivers and streams healthy. You can choose to be a Prize Sponsor for one month or several months during the year.

Prizes could include a promotional item, a coupon for a free item or service or just about anything that will make a kid (and their parents) proud that they've done something to help protect and conserve our waterways.

You can also choose to provide a donation for the purchase of prizes. We will give you several options to choose from, we will do the ordering and we'll have the prizes delivered right to your place of business.

To become a Kids4Rivers Prize Sponsor

- 1) Contact us by email or phone (276) 634-2592 or khodges@danriver.org
- 2) Choose the month(s) you'd like to sponsor
- 3) Let us know what prize you will be providing OR we can help you order the perfect prize
- 4) Be prepared for a lot of traffic at your business!
