

Dan River Power Station

DISCLAIMER: Map intended for illustrative purposes only. Ash pond and landfill boundaries are best estimates based on documents from EPA and the utilities themselves. Locations of existing and retired ash ponds and landfills were created by heads-up digitizing of aerial imagery and USGS 7.5 min. topographic maps. Outlined areas appearing to be void of a pond or landfill are thought to be retired units that are now covered in place. For additional information see SoutheastCoalAsh.Org
