Bassett, VA 24055

Philpott Lake Visitor Center
1058 Philpott Dam Rd.
Bassett, VA 24055

Thank you for participating in the DRBA Fall 2020 Art Contest!

We are excited to share the finalists with everyone through a mini driving tour in Martinsville/Henry County. Each grade level has first, second and third place creating twelve finalists. The finalists will be mixed up at the four places included in the driving tour. Have fun with your family locating the winning art submissions!

You can start the driving tour by visiting the Daily Grind coffeehouse in Uptown Martinsville. There you can go inside to see the finalists and pick up a cup of hot chocolate or coffee with your family to enjoy along the way. The next stop is in the heart of Martinsville, the Martinsville Visitor Center. A quick hop out of the car and you can spot the winners in the window. The third stop is placed beside the beautiful Smith River in Bassett. Enjoy a visit at the Smith River Outfitters before heading to the final location. Finally, the last stop in the driving tour, includes a scenic view at Philpott Lake. You can view the winning pieces in the windows of the Philpott Lake Visitor Center to complete the tour, but be sure to check out the overlook of the Dam before you head home.

The finalists and honorable mentions will also be on the DRBA website to view, starting December 14th. To view the submissions on the website, visit <https://www.danriver.org/programs/environmental-education/for-educators>.
