

Wednesday, April 22 – Happy Earth Day!

Lunch with DRBA: All About Monarch & Monarch Waystations | 4/22/26 @ Noon | [LEARN MORE](#)

Join DRBA in celebrating Earth Day! In this pre-recorded Lunch with DRBA webinar, Regina Flora, DRBA's Assistant Educator, will share everything about the amazing Monarch butterfly and what it needs to complete its life cycle. She will also discuss monarch waystations, pollinator garden designed specifically for the Monarch butterfly and what is required to have your own pollinator garden become certified.

Clean Up in Eden | Matrimony Creek Nature Trail | 4:00pm- 6:00pm | [More info & Sign-Up](#)

Join us in Eden, NC (home of DRBA's headquarters) for a cleanup at Matrimony Creek Nature Trail. Help remove trash and protect this scenic waterway while enjoying a peaceful trail featuring a creek, small waterfall and historic mill ruins.

Lawn Grown Wild Project | Join us 4/22 or 4/23! | [LEARN MORE](#)

DRBA's Lawn Grown Wild project encourages individuals and communities to transform traditional lawns into thriving habitats for pollinators and wildlife to help support biodiversity, conserve water and create healthier ecosystems. Stop by our Danville office and pick up your free seeds and sign a pledge to make an impact!

Monarch Lifecycle Kids Activity– [DOWNLOAD](#) our one-of-a-kind coloring page and encourage learning through art!
