We have ordered from this company for several years. You will need to sign a bio waiver if you purchase trees from May 1<sup>st</sup> through October 31<sup>st</sup>, as they do not guarantee their trees during this time frame. We sign one each year and have had minimal problems with their trees. We order the black willow 2' live stakes. They are \$1 each - 2021.

**Etsy**

Shops such as CZGrain – 6 Black Willow Cuttings - \$12.99

This may be a good route if you only need to order a few. We have used this shop before and the trees have done well.

**Amazon**
