

NEXTREX RECYCLING CHALLENGE PROGRAM

Trex® has changed its Recycling Challenge in 2026 and recently announced that instead of one opportunity to earn a reward, Trex® will now offer an opportunity to earn the chance to win rewards up to four times per year. Here's how it will work:

- 25 participating organizations will be randomly selected quarterly and rewarded with a gift, valued at \$500
- Every 250 pounds is an entry into the drawing and each participating organization receives a gift from Trex when they reach the first 250 pounds (annually), valued at \$100 NexTrex Store by Trex.

DRBA is participating in 2026 and we need your help again to recycle your eligible plastic!

Here's what you need to do:

- 1) Simply collect the plastics you see in the picture below.
- 2) Weigh it all and take a picture of the weight.
- 3) Drop it off at places that have plastic bag recycling bins, like or Food Lion or Kroger.
- 4) After you drop off your plastics, visit my.trex.com and sign in using the username: DanRiverBasin and the password: Cleanrivers. Go to "Recycle Collections" and "Add New Drop-Off" then fill out your drop off location, city, state, and weight and hit Submit Drop-off.
- 5) You will then be asked to submit your photo of the weight. And you're done!

What can be recycled?

All plastic must be clean, dry and free of food residue.

Grocery bags

Bread bags

Bubble wrap

Dry cleaning bags

Newspaper sleeves

Ice bags

Plastic shipping envelopes

Ziploc & other reclosable food storage bags

Cereal bags

Case overwrap

Salt bags
